However, I am enclosing copies of the same for ready reference.

Office of the President, District Board,
Hassan, Dated 8th January 192 9

From

N. S. Nanjundiah, Esq.,
President, District Board,
Hassan.

To

B. Nagappa, Esq., Bar-at-Law.,
Secretary to the Government of His Highness the Maharaja of Mysore,
Local & Legislative Departments, Bangalore.

Through the Deputy Commissioner, Hassan District.

Sir,

With reference to G.O.No.L.3059-124/L.B. 25-26-14, dated 12th November 1926 directing the abolition of Taluk Boards and introduction of Village Panchayets, and calling for a list of discharged employees including the Sanitary Inspectors whose services will not be required by the new Board, I have the honor to state that the subject was first discussed by the Finance Committee of the District Board at their meeting held on 2nd Jany. 1927 and they have recommended to retrench one hand on ₹ 40 in the District Board Office, Five Sanitary Inspectors, 8 Taluk Board Clerks and 8 Attenders, and also recommends that they may be a pointed as Village Panchayet Inspectors, Clerks in the Village Panchayet scheme and in the Revenue Department, respectively. They further urge that the sanction of the revision of the District Board establishment submitted with this office No. 639, dated 20/22nd March 1926, may be urged for the favourable consideration of the Government.

2. The District Board have at their meeting held on 3rd January 1927 resolved as follows:-

"The resolution of the Finance Committee:-as well as the proposals made to Government

with this office No.639, dated 20/22nd March 26 were considered and discussed in detail. The resolution of the Finance Committee is approved. While fully endorsing the views of the Finance Committee in respect of S.N.Ramakrishniah and having regard to the fact that B.K.Rangachar, Clerk in the District Board office, has been doing efficient work, and was also drawing a monthly salary of Rs 50 when the Economic Development work was under the management of the District Board with a Government grant and has been drawing the lower salary of Rs 35 since July 1923 but is undoubtedly deserving of promotion, the Board unanimously resolves that he also be recommended for being appointed a Village Panchayet Inspector. Thus the Board resolve that Five Sanitary Inspectors S. N. Ramakrishniah whose place will be abolished in the District Board establishment as well as B.K.Rangachar be recommended to be appointed as Village Panchayet Inspectors in the new scheme.

2. The Board would also point out that consequent on the abolition of the Taluk Board and the retrenchment in the number of Sanitary Inspectors the peons till now attached to these retrenched Sanitary Inspectors, and the Taluk Boards will find no place, but as such Village Panchayet Inspectors will be in charge of an entire Taluk and even Sheikdars incharge of a single hobli are given two peons each. Village Panchayet Inspectors may be given the services of two peons and the thrown out peons employed as such.

3. The Board suggests that as some of the Attenders have put in long service, and throwing them out without providing them ~~out~~ elsewhere will cause very great hardship to these low paid officials, immediate steps may be taken to provide them with appointments elsewhere so as not to bring out any break in the service."

3. The list of officials to whom notices have been issued, dispensing with their services is herewith enclosed as required in the above Government order.

4. Out of the 8 Attenders one J. Venkataramaiya a permanent Attender who was on long leave and A. Subbarayа a permanent peon on Rs 10 in Channarayapatna Taluk office who was acting in the place have overstayed their leave, they have been informed that their services have been dispensed with as they hold no lien on their appointments in the Taluk Board under article 146 M.S.R. and in view of the abolition

of the Taluk Boards. Another acting Attender P. Narsimhamurti now at Arsikere Taluk Board Office will be reverted as Mutchi in the District Board office and the remaining six are permanent Attenders who have put in fairly long periods of service and they will have to be appointed elsewhere.

5. Steps are taken to take charge of the records and furniture in the Taluk Board offices.

6. I therefore, request that you will be so good as to kindly obtain early sanction of Government to the proposals of the District Board as well as to the proposals of the revision of the establishment of the District Board and the retrenchment of the officials referred to above. A copy of this letter together with a copy of the notice given to the officials have been sent up to the Deputy Commissioner as required in the Government order.

A copy of the resolution of the Finance Committee and of the District Board are enclosed.

I have the honor to be,
Sir,
Your most obedient servant,

President,
District Board, Hassan.

3. (a) G.O.No.L.3059-124/L.B. 25-26-14, dated 12th November 26 issuing instructions about the adjustment of funds at the credit of the Taluk Boards on 31st Jany. 1927, the maintenance of the required establishment and other matters connected with the future working of the District Boards under the new Regulation.

(b) G.O.No.L.3685-704/L.B. 119-26-1, dated 10/20th Decr. 26 sanctioning the appointment of Inspectors of Panchayets on Rs 60 plus 15 per mensem and a Clerk on Rs 30 and requesting to send the proposals for the orders of Government.

Resolution of the Finance Committee:-

'Recorded.'

As regards the staff required for the District Board Office, the Finance Committee is of opinion that it is not possible at present to make out exactly what minimum staff is required. However, the Committee proposes that one hand on Rs 40 out of the present establishment may be retrenched and the services of C.N.Ramakrishniah who has put in a service of nearly 21 years, half of which has been spent by him in this office without adequate promotion for want of scope here may be utilised in filling up one of the posts of Village Panchayet Inspectors in the District The Committee further proposes that the scale already proposed ~~in this office~~ and recommended by the Board for the revision of the District Board establishment in this office No.639, dated 20/22nd March 1926 may be regarded as the minimum requirement, the last hand on Rs 30 plus 10 in the said proposal being deleted.

7 of the Taluk Board Clerks on Rs 25 that will be thrown out of employment may be entertained as Clerks on Rs 30 for work in connection with the Village Panchayet in the Taluk offices and the services of the Alur Taluk Board Clerk may be utilised elsewhere in the Revenue Department.

As regards the Attenders their services may be utilised elsewhere in the Revenue Department.

Out of the existing staff of 9 Sanitary Inspectors working now under the District Board, the Finance Committee considers that the utilisation of the services of the whole staff is not necessary, in view of the supervision of sanitation, drinking water wells etc., having been taken out of the hands of Board. The Committee consider that for the efficient supervision of works that a Sanitary Inspector may be appointed for two Taluks for the purpose, at 8 Taluks in this District the services of Four Sanitary Inspectors will be required. The remaining five sanitary Inspectors will be available for being appointed as Village Panchayet Inspectors".

Resolution. The resolution of the Finance Committee as well as the proposals made to Government with this office No. 639, dated 20th/22nd March 1926, were considered and discussed in detal. The Resolution of the Finance Committee is approved. While fully endorsing the views of the Finance Committee in respect of S.N.Ramakrishniah and having regard to the fact that B.K.Rangachar Clerk in the District Board office has been doing efficient work and was also drawing a monthly salary of Rs 50 when the Economic Development work was under the management of the District Board with a Government grant and has been drawing the lower salary of Rs 35 since July 192[illegible] but is undoubtedly deserving of promotion, the District Board unanimously resolves that he also be recommended for being appointed a Village Panchayet Inspector. Thus the Board resolve that Five Sanitary Inspectors, and S.N.Ramakrishniah whose place will be abolished in the District Board establishment as well as B.K.Rangachar be recommended to be appointed as Village Panchayet Inspectors, in the new scheme.

(2) The Board would also point out that consequent on the abolition of the Taluk Boards, and the retrenchment in the number of Sanitary Inspectors, the peons till now attached to these retrenched Sanitary Inspe and the Taluk Boards will find no place, but as each Village Panchayet Inspector will be in charge of an entire Taluk and even Sheikdars in charge of a single Hobli are given two peons each, it is suggested that each Village Panchayet Inspector may be given the services of two peons and the thrown out peons employed as such.

(3) The Board suggest that as some of the Attenders have put in long service, and throwing them out without providing them elsewhere will cause very great hardship to these low paid officials, immediate steps may be taken to provide them with appointments elsewhere so as not to bring out any break in the service.
